It should be pointed out however that, although the courses in shorthand and bookkeeping are not particularly required for the performance of her present job, this should not prevent her from training in these fields.

9. GENERAL TYPE OF ACTIVITY

Secretarial, elerical and administrative assistant work.

SPECIFIC TYPE OF ACTIVITY (Including assignments)
 A. IMMEDIATE (Within next 1 to 2 years)

I am completely putlefied with the assignment that I now have. I like the work and the people with whom I work. I do think the job with its present responsibilities is worth a 45-7, but it has recently been upgraded to a 45-6 from a 43-5.

B. LONG-RANGE (Within next 3 to 5 years)

I realise that my chance for advencement beyond a 48-7 is very limited because ot hold a college degree; and, due to personal responsibilities, further e training is out of the question at this time.

SECTION C.

LONG-RANGE (Within next 3 to 5 years)

It might be expedient that I take additional shorthand in order to pass the ency shorthand test, although my present ability is adequate for the job that I new have. I would like a bookkeeping course, but I fail to see how it would be of may particular value in my present responsibilities in connection with the Central Fund.
